The image shows the VirusTotal analysis results page for a specific file. The URL bar shows the file's SHA-256 hash: c54e4686e6a56507c0e4696518d9d192e005ee14894ee4bc3515fe9d8b0f306. The page has a dark blue background with a navigation bar at the top containing tabs: "DETECTION", "DETAILS", "RELATIONS", "BEHAVIOR", and "COMMUNITY". The "DETECTION" tab is selected. Below the navigation bar, there is a message: "Join our Community and enjoy additional community insights and crowdsourced detections, plus an API key to [automate checks](#)." Below this, there is a section titled "Security vendors' analysis" with a sub-header "Do you want to automate checks?". The table below shows the results of the analysis for various security vendors.
